

To James Otis Esquire,

I shall be very glad to hear of your proceedings; and as Divine Providence has been pleas'd to place us at such a Distance from each other, I shall always receive with Pleasure the smallest signs of my being kindly remember'd by you. On my side I assure you with the utmost Sincerity, that your public Conduct, & my private acquaintance with you, have render'd you ex-
tremely Dear, to

Sir

I have tried to get Pennsylvania paper to write to you upon — but I cannot procure any that is good enough
This, however, is untax'd

your most affectionate
and much oblig'd humble Servt.
